18 NCAC 07J .1413 VERIFICATION OF NOTARY STATUS

When a traditional notary public or an electronic notary public initiates a notarial session, a platform shall use the Department's notary public database to verify whether:

(1) the notary public is in active status; and

(2) if the notary is an electronic notary, whether the notary is in active status as an electronic notary.

History Note: *Authority G.S. 10B-4; 10B-106; 10B-125(b); 10B-126; 10B-134.15; 10B-134.17; 10B-134.19; 10B-134.21; 10B-134.23;*
Eff. July 1, 2025.
