(a) Applicants who intend to demonstrate their possession of sufficient education to become a CPA by showing that they possess a bachelor's degree shall submit official transcripts with their application to take the CPA examination. Official transcripts shall show the grades the applicant received on courses completed and shall also show degrees awarded.

(b) The Board may approve an application to take the CPA examination prior to the applicant's obtaining the concentration of accounting or the receipt of a bachelor's degree, if:

- (1) the concentration in accounting that shall be included in or supplement the bachelor's degree is already complete or is reasonably expected to be completed by the end of the school term within which the examination falls; and
- (2) an applicant reasonably expects to receive the bachelor's degree within 120 days after the application is approved by the Board. However, if the applicant fails to receive the degree within the specified time, the CPA examination grades shall not be released and if the applicant wishes to retake the examination, the applicant shall reapply.
