This Rule shall not apply to agreements for the provision of legal, financial, or other services not related to the provision of management services for a fee or to employment arrangements between an employee and the dentist or professional entity.

- (8) payments to the management company that, at the time of execution of an agreement as required under Paragraph (b) of this Rule, are likely, foreseeably and purposely in excess of the likely profits of the professional entity not taking into account the compensation to be paid to the management company under the management arrangement.

(d) Notwithstanding Subparagraphs (c)(7) and (c)(8) of this Rule, a management arrangement may provide for the following:

- (1) increased payments to the management company based upon the lowering of costs to the professional entity or dentist;
- (2) decreased payments to the management company based upon increases in costs to the professional entity or dentist; or
