21 NCAC 16Z .0101 ELIGIBILITY TO PRACTICE HYGIENE OUTSIDE DIRECT SUPERVISION

(a) To be eligible to perform the clinical hygiene procedures set out in G.S. 90-221(a) without the direct supervision of a dentist, a dental hygienist shall:

1. maintain an active license to practice dental hygiene in this State;
2. have no prior disciplinary history in any state;
3. complete at least three years of experience in clinical dental hygiene or at least 2,000 hours of performing prophylaxis or periodontal debridement under the supervision of a dentist licensed in this State within the five calendar years immediately preceding initial approval to work without direct supervision;
4. maintain current CPR certification; and
5. complete at least six hours of Board approved continuing education in dental office medical emergencies, in addition to the minimum hours of continuing education required for license renewal. A list of Board-approved sponsors appears in 21 NCAC 16I .0202.

(b) To retain eligibility to perform the clinical hygiene procedures set out in G.S. 90-221(a) without direct supervision of a dentist, a dental hygienist shall:

1. complete at least six hours of Board approved continuing education in dental office medical emergencies each year, in addition to the minimum hours of continuing education required for license renewal;
2. maintain current CPR certification;
3. comply with all provisions of the N.C. Dental Practice Act and all rules of the Dental Board applicable to dental hygienists; and
4. cooperate with all Board inspections of any facility at which the hygienist provides dental hygiene services without direct supervision of a dentist.

(c) Nothing in this Rule shall be construed to permit a dental hygienist to administer local anesthetics as set out in G.S. 90-221(a) without the direct supervision of a North Carolina licensed dentist.
