(a) The Board shall issue a notice of charges and allegations only upon completion of an investigation, a finding by the Board or a committee of the Board that there exists a factual and legal basis for an action pursuant to any subsection of G.S. 90-14(a), and a pre-charge conference, if one was requested by the licensee.

(b) Disciplinary proceedings shall be initiated and conducted pursuant to G.S. 90-14 through G.S. 90-14.7 and G.S. 150B-38 through G.S. 150B-42.

The purpose of the conference will be to simplify the issues to be determined, obtain stipulations in regards to testimony or exhibits, obtain stipulations of agreement on undisputed facts or the application of particular laws, consider the proposed witnesses for each party, identify and exchange documentary evidence intended to be introduced at the hearing, and consider such other matters that may be necessary or advisable for the efficient and expeditious conduct of the hearing.

(d) The pre-hearing conference shall be conducted in the offices of the Board, unless another site is designated by mutual agreement of all parties. When a face-to-face conference is impractical, the Board President or designated presiding officer may order the pre-hearing conference be conducted by telephone conference.

(e) The pre-hearing conference shall be an informal proceeding and shall be conducted by the Board President or designated presiding officer.

(f) All agreements, stipulations, amendments, or other matters resulting from the pre-hearing conference shall be in writing, signed by the presiding officer, Respondent, or Respondent's counsel, and Board counsel, and introduced into the record at the beginning of the disciplinary hearing.

(g) Motions for a continuance of a hearing shall be granted upon a showing of good cause. Motions for continuance shall be ruled on by the Board President or designated presiding officer.

(h) The Respondent may challenge on the basis of personal bias or other reason for disqualification the fitness and competency of any Board member to hear and weigh evidence concerning the Respondent. Challenges must be in writing accompanied by affidavit setting forth with specificity the grounds for such challenge and must be filed with the Board President or designated presiding officer at least 14 days before the hearing except for good cause shown. Nothing contained in this Rule shall prevent a Respondent appearing before the Board at a formal hearing from making inquiry of Board members as to their knowledge of and personal bias concerning that person's case and making a motion based upon the responses to those inquiries that a Board member recuse himself or herself or be removed by the Board President or presiding officer.

(i) In any formal proceeding pursuant to G.S. 90-14.1 and G.S. 90-14.2, discovery may be obtained as provided in G.S. 90-8 and 150B-39 by either the Board or the Respondent. Any discovery request by a Respondent to the Board shall be filed with the Chief Executive Officer of the Board. Nothing herein is intended to prohibit a Respondent or Respondent's counsel from issuing subpoenas to the extent that such subpoenas are otherwise permitted by law or rule. 1. Subpoenas may be issued for the appearance of witnesses or the production of documents or information, either at the hearing or for the purposes of discovery;

(4) Subpoenas shall include the date, time, and place of the hearing and the name and address of the party requesting the subpoena. In the case of subpoenas for the purpose of discovery, the subpoena shall include the date, time, and place for responding to the subpoena; and

(5) Subpoenas shall be served as provided by the Rules of Civil Procedure, G.S. 1A-1. The cost of service, fees, and expenses of any witnesses or documents subpoenaed shall be paid by the party requesting the witnesses.

(j) All motions, other than motions pursuant to Rules 12(b) and 56 of the North Carolina Rules of Civil Procedure related to a contested case shall be in writing and submitted to the Board at least 14 calendar days before the hearing. Pre-hearing motions shall be heard at the pre-hearing conference described in Paragraph (c) of this Rule. Motions filed fewer than 14 days before the hearing shall be considered untimely and shall not be considered unless the reason for the motion could not have been ascertained earlier. In such case, the motion shall be considered at the hearing prior to the commencement of testimony. The Board President or designated presiding officer shall hear the motions and any response from the non-moving party and rule on such motions. If the pre-hearing motions are heard by an Administrative Law Judge from the Office of Administrative Hearings the provisions of G.S. 150B-40(e) shall govern the proceedings.

(a) Disciplinary hearings conducted before a majority of Board members shall be held at the Board’s office or, by mutual consent, in another location where a majority of the Board has convened for the purpose of conducting business. For proceedings conducted by an administrative law judge, the venue shall be determined in accordance with G.S. 150B-38(e). All hearings conducted by the Medical Board are open to the public; however, portions are closed to protect the identity of patients pursuant to G.S. 90-16(b).

(b) All hearings by the Medical Board shall be conducted by a quorum of the Medical Board, except as provided in Subparagraph (1) and (2) of this Paragraph. The provisions of G.S. 150B, Article 3A shall govern a contested case in which an administrative law judge is designated as the Hearing Officer; or

(2) The Medical Board President may designate in writing three or more hearing officers to conduct hearings as a hearing committee to take evidence. The provisions of G.S. 90-14.5(a) through (d) shall govern a contested case in which a hearing committee is designated.

(c) If any party or attorney of a party or any other person in or near the hearing room engages in conduct which obstructs the proceedings or would constitute contempt if done in the General Court of Justice, the Board may apply to the applicable superior court for an order to show cause why the person(s) should not be held in contempt of the Board and its processes.

(d) During a hearing, if it appears in the interest of justice that further testimony should be received and sufficient time does not remain to conclude the testimony, the Medical Board may continue the hearing to a future date to allow for the additional testimony to be taken by deposition or to be presented orally. In such situations and to such extent as possible, the seated members of the Medical Board shall receive the additional testimony. If new members
of the Board or a different independent counsel must participate, a copy of the transcript of the hearing shall be provided to them prior to the receipt of the additional testimony.

(e) All parties have the right to present evidence, rebuttal testimony, and argument with respect to the issues of law, and to cross-examine witnesses. The North Carolina Rules of Evidence in G.S. 8C apply to contested case proceedings, except as provided otherwise in this Rule, G.S. 90-14.6 and G.S. 150B-41.
