

21 NCAC 66 .0202 NAME OF PRACTICE

(a) The adoption or use of a name for the entity authorized by law through which the licensed veterinarian practices and delivers veterinary services shall have prior Board approval in order to avoid duplication or confusion of names and to prevent use of names which might be misleading. No proper names of persons other than licensees may be included in the name. If the veterinary medical practice uses the name or names of the veterinarians owning or operating the facility in the name of the practice, the name shall conform to the requirements of G.S. 90-181.1(c), and Board approval shall be obtained prior to the use of that name. The use of the word "facility" is not required in the name of those facilities offering the services described in G.S. 90-181.1(b)(2) and (b)(3) unless required by the context for clarification.

(b) A facility where the practice of veterinary medicine is conducted shall use in its name one of the descriptive terms as set forth in G.S. 90-181.1(b), or descriptive terms that are substantially equivalent, in a manner so as to accurately inform the public of the levels of service offered at the facility.
