21 NCAC 66 .0306 LICENSE WITHOUT EXAMINATION

(a) The Board may issue a license without written examination other than the North Carolina License Examination to an applicant who meets the criteria as established in G.S. 90-187.3.

(b) An applicant shall certify that he is currently an active, competent practitioner in good standing and this certification shall be verified by the state licensing Board from the applicant's most recent clinical practice. An applicant is deemed to have practiced in another state at least three of the last five years immediately preceding his application if the applicant certifies that he has engaged in the unexempt practice of veterinary medicine as defined in the North Carolina Practice Act for that length of time. The licensure requirements in the other state are deemed substantially equivalent to those required by this state if the other state administered the same standardized licensing tests (excluding the North Carolina Practice Act Test) as were administered in North Carolina at the time of the applicant's original licensing in the other state and the tests were graded in accordance with North Carolina grading criteria.
