

(a) The Office of State Human Resources shall administer a self-insured workers' compensation program for workers' compensation claims arising in State agencies.

(1) Contract with vendor(s) for services for workers' compensation claims arising in State agencies;

(3) Monitor contracted vendor(s) performance.

(d) The Office of State Human Resources shall:

(2) Issue claim handling guidelines for workers' compensation claims arising in State agencies; and

(3) Issue workers' compensation related educational materials for use in State agencies.

*Eff. November 1, 1987;*

*Pursuant to G.S. 150B-21.3A, rule is necessary without substantive public interest Eff. October 4, 2016;*

*Amended Eff. July 1, 2019.*
