The council retains jurisdiction with respect to the following matters:

1. upon recommendation of the board, establishing areas in which certificates of specialty may be granted;
2. amending this plan;
3. hearing appeals taken from actions of the board;
4. establishing or approving fees to be charged in connection with the plan;
5. regulating attorney advertisements of specialization under the Rules of Professional Conduct.

History Note:  
Authority G.S. 84-23;
