(c) An ethics advisory issued by the executive director or assistant executive director shall be promulgated under the authority of the committee and in accordance with such guidelines as the committee may establish and prescribe from time to time.

- (a) The petition shall be supported by affidavits of at least two persons setting out the evidence of the lawyer's impairment.
- (b) The petition shall be signed by the executive director of the lawyer assistance program and the executive director of the State Bar.
- (c) The petition shall contain a request for a protective order sealing the petition and all proceedings respecting it.
- (d) Except as set out in 27 NCAC 01D .0606(j) of this Rule, the petition shall request the court to issue an order requiring the attorney to appear in not less than 10 days and show cause why the attorney should not be suspended from the practice of law. No order suspending an attorney's license shall be entered without notice and a hearing, except as provided in 27 NCAC 01D .0606(j) of this Rule.
- (e) The order to show cause shall be served upon the attorney, along with the State Bar's petition and supporting affidavits, as provided in Rule 4 of the North Carolina Rules of Civil Procedure.
- (f) At the show cause hearing, the State Bar shall have the burden of proving by clear, cogent, and convincing evidence that the lawyer's ability to practice law is impaired.

At the hearing, the suspended lawyer will have the burden of establishing by clear, cogent, and convincing evidence the following: (1) the lawyer's ability to practice law is no longer impaired; (2) the lawyer's debilitating condition is being treated and/or managed; (3) it is unlikely that the inability to practice law due to the impairment will recur; and (4) it is unlikely that the interest of the public will be unduly threatened by the reinstatement of the lawyer.

- (j) No suspension of an attorney's license shall be allowed without notice and a hearing unless:
 - (1) the State Bar files a petition with supporting affidavits, as provided in 27 NCAC 01D .0606(a)-(c) of this Rule.
 - (2) the State Bar's petition and supporting affidavits demonstrate by clear, cogent, and convincing evidence that immediate and irreparable harm, injury, loss, or damage will result to the public, to the lawyer who is the subject of the petition, or to the administration of justice before notice can be given and a hearing had on the petition.
 - (3) the State Bar's petition specifically seeks the temporary emergency relief of suspending *ex parte* the attorney's license for up to 10 days or until notice be given and a hearing held, whichever is shorter, and the State Bar's petition requests the court to endorse an emergency order entered hereunder with the hour and date of its entry.
 - (4) the State Bar's petition requests that the emergency suspension order expire by its own terms 10 days from the date of entry, unless, prior to the expiration of the initial 10-day period, the court agrees to extend the order for an additional 10-day period for good cause shown or the respondent attorney agrees to an extension of the suspension period.
- (k) The respondent attorney may apply to the court at any time for an order dissolving the emergency suspension order. The court may dissolve the emergency suspension order without notice to the State Bar or hearing, or may order a hearing on such notice as the court deems proper.
- (l) The North Carolina State Bar shall not be required to provide security for payment of costs or damages prior to entry of a suspension order with or without notice to the respondent attorney.
- (m) No damages shall be awarded against the State Bar in the event that a restraining order entered with or without notice and a hearing is dissolved.

27 NCAC 01D .0707 PROCESSING REQUESTS FOR FEE DISPUTE RESOLUTION

(a) A request for resolution of a disputed fee must be submitted in writing to the coordinator of the Fee Dispute Resolution Program addressed to the North Carolina State Bar, PO Box 25908, Raleigh, NC 27611. A lawyer is required by Rule of Professional Conduct 1.5 to notify in writing a client with whom the lawyer has a dispute over a fee (i) of the existence of the Fee Dispute Resolution Program and (ii) that if the client does not file a petition for fee dispute resolution within 30 days after the client receives such notification, the lawyer will be permitted by Rule of Professional Conduct 1.5 to file a lawsuit to collect the disputed fee. A lawyer may file a lawsuit prior to expiration of the required 30-day notice period or after the petition is filed by the client only if such filing is necessary to preserve a claim. If a lawyer does file a lawsuit pursuant to the preceding sentence, the lawyer must not take steps to pursue the litigation until the fee dispute resolution process is completed. A client may request fee dispute resolution at any time before either party files a lawsuit. The petition for resolution of a disputed fee must contain:

- (1) the names and addresses of the parties to the dispute;
- (2) a clear and brief statement of the facts giving rise to the dispute;
- (3) a statement that, prior to requesting fee dispute resolution, a reasonable attempt was made to resolve the dispute by agreement;
- (4) a statement that the subject matter of the dispute has not been adjudicated and is not presently the subject of litigation.

(b) A petition for resolution of a disputed fee must be filed (i) before the expiration of the statute of limitation applicable in the General Court of Justice for collection of the funds in issue or (ii) within three years of the termination of the client-lawyer relationship, whichever is later.

(c) The State Bar will process fee disputes and grievances in the following order:

- (1) If a client submits to the State Bar simultaneously a grievance and a request for resolution of disputed fee involving the same attorney-client relationship, the request for resolution of disputed fee will be processed first and the grievance will not be processed until the fee dispute resolution process is concluded.
- (2) If a client submits a grievance to the State Bar and the State Bar determines it would be appropriate for the Fee Dispute Resolution Program to attempt to assist the client and the lawyer

in settling a dispute over a legal fee, the attempt to resolve the fee dispute will occur first. If a grievance file has been opened, it will be stayed until the Fee Dispute Resolution Program has concluded its attempt to facilitate resolution of the disputed fee.

- (3) If a client submits a request for resolution of a disputed fee to the State Bar while a grievance submitted by the same client and relating to the same attorney-client relationship is pending, the grievance will be stayed while the Fee Dispute Resolution Program attempts to facilitate resolution of the disputed fee.
 - (4) Notwithstanding the provisions of subsections (c)(1), (2), and (3) of this section, the State Bar will process a grievance before it processes a fee dispute or at the same time it processes a fee dispute only when the State Bar determines that doing so is in the public interest.
- (d) The coordinator of the Fee Dispute Resolution Program or a facilitator will review the petition to determine its suitability for fee dispute resolution. If it is determined that the dispute is not suitable for fee dispute resolution, the parties will be notified in writing that the dispute is not suitable for fee dispute resolution and that a file will not be opened or, if a file has already been opened, that the file has been closed. Grounds for concluding that a petition is not suitable for fee dispute resolution or for closing a file include, but are not limited to :
- (1) the petition is frivolous or moot;
 - (2) the committee lacks jurisdiction over one or more of the parties or over the subject matter of the dispute; or
 - (3) due to complexity of the dispute, the amount of fees or expenses at issue, lack of cooperation by one or more of the parties, or other factors, facilitating resolution of the dispute will consume a disproportionately large amount of the fee dispute program's resources.

History Note: Authority G.S. 84-23;

27 NCAC 01D .0708 SETTLEMENT CONFERENCE PROCEDURE

- (a) The coordinator will assign the case to a facilitator.
- (b) The State Bar will serve a letter of notice upon the respondent lawyer.
 - (1) The letter of notice shall be served by one of the following methods:
 - (A) mailing a copy thereof by registered or certified mail, return receipt requested, to the last known address of the member contained in the records of the North Carolina State Bar ;
 - (B) mailing a copy thereof by designated delivery service (such as Federal Express or UPS), return receipt requested, to the last known address of the member contained in the records of the North Carolina State Bar ;
 - (C) personal service by the State Bar counsel or deputy counsel or by a State Bar investigator;
 - (D) personal service by any person authorized by Rule 4 of the North Carolina Rules of Civil Procedure to serve process; or
 - (E) email sent to the email address of the member contained in the records of the North Carolina State Bar if the member sends an email from that same email address to the State Bar agreeing to accept service of the letter of notice by email. Service of the letter of notice will be deemed complete on the date that the letter of notice is sent by email.

A member who cannot, with reasonable diligence, be served by one of the methods identified in subparagraphs (A)–(E) above shall be deemed served upon publication of the notice in the State Bar Journal.
 - (2) The letter of notice shall enclose copies of the petition and of any relevant materials provided by the petitioner.
 - (3) The letter of notice shall notify the respondent (i) that the petition was filed and (ii) of the respondent's obligation to provide to the State Bar a written response to the letter of notice, signed by the respondent, within 15 days of service of the letter of notice.
- (c) Within 15 days after the letter of notice is served upon the respondent, the respondent must provide a written response to the petition which must be signed by the respondent. The facilitator may grant requests for extensions of time to respond. The response must be a full and fair disclosure of all the facts and circumstances pertaining to the dispute. The response shall include all documents necessary to a full and fair understanding of the dispute and shall

not include documents that are not necessary to a full and fair understanding of the dispute. The facilitator will provide a copy of the response to the petitioner unless the vice-chair or the vice-chair's designee determines that good cause exists to approve a respondent's request not to provide the response to the petitioner. The determination of the vice-chair or of the vice-chair's designee whether good cause exists is final and is not subject to review.

(d) The facilitator may conduct any investigation the facilitator determines to be necessary to understand the facts relevant to the dispute.

(e) The facilitator shall determine, in the facilitator's sole discretion, whether the settlement conference will be held via email or telephone communications, with both parties simultaneously, or with one party at a time.

(f) The facilitator will explain the following to the parties:

- (1) the procedure that will be followed;
- (2) the differences between a facilitated settlement conference and other forms of conflict resolution;
- (3) that the settlement conference is not a trial;
- (4) that the facilitator is not a judge;
- (5) that participation in the settlement conference does not deprive the parties of any right they would otherwise have to pursue resolution of the dispute through the court system if they do not reach a settlement;
- (6) the circumstances under which the facilitator may communicate privately with any party or with any other person;
- (7) whether and under what conditions private communications with the facilitator will be shared with the other party or held in confidence during the conference; and
- (8) that any agreement reached will be reached by mutual consent of the parties.

(g) It is the duty of the facilitator to be impartial and to advise the parties of any circumstance that might cause either party to conclude that the facilitator has a possible bias, prejudice, or partiality.

(h) It is the duty of the facilitator to timely determine when the dispute cannot be resolved by settlement and to declare that an impasse exists and that the settlement conference will end.

(i) Upon completion of the settlement conference, the facilitator will prepare a disposition letter to be sent to the parties explaining:

- (1) that the settlement conference resulted in a settlement and the terms of settlement; or
- (2) that the settlement conference resulted in an impasse.

(b) Definition of "Year"

As used in this rule, a year is a 365 day period of time unless a calendar year is specified.

(c) Requirements for Reinstatement

(1) Completion of Petition.

The member must provide the information requested on a petition form prescribed by the council and must sign the petition under oath.

(2) CLE Requirements Before Inactive.

Unless the member was exempt from such requirements pursuant to Rule .1517 of this subchapter or is subject to the requirements in paragraph (c)(5) of this rule, the member must satisfy the minimum continuing legal education requirements, as set forth in Rule .1518 of this subchapter, for the calendar year in which the member was transferred to inactive status (the "subject year") if such transfer occurred on or after July 1 of the subject year, including any deficit from a prior calendar year that was carried forward and recorded in the member's CLE record for the subject year.

(3) Character and Fitness to Practice.

The member must have the moral qualifications, competency and learning in the law required for admission to practice law in the state of North Carolina, and must show that the member's resumption of the practice of law within this state will be neither detrimental to the integrity and standing of the Bar or the administration of justice nor subversive of the public interest.

(4) Additional CLE Requirements.

If more than one year has elapsed between the date of the entry of the order transferring the member to inactive status and the date that the petition is filed, the member must complete 12 hours of approved CLE for each year that the member was inactive up to a maximum of 7 years. The CLE hours must be completed within two years prior to filing the petition. For each 12-hour increment, 2 hours must be earned by attending courses in the areas of professional responsibility and/or professionalism. If during the period of inactivity the member complied with mandatory CLE requirements of another state where the member is licensed, those CLE credit hours may be applied to the requirements under this provision without regard to whether they were taken during the two years prior to filing the petition.

(5) Bar Exam and MPRE Requirement If Inactive Seven or More Years.

(A) If seven years or more have elapsed between the date of the entry of the order transferring the member to inactive status and the date that the petition is filed, the member must satisfy the following requirements in lieu of the CLE requirements in paragraphs (c)(2) and (c)(4):

- (2) successful completion, within nine months following an order conditionally granting the petition, of the State-Specific Component prescribed by the North Carolina Board of Law Examiners; and
 - (3) attainment of a passing score, within nine months following an order conditionally granting the petition, on a regularly-scheduled Multistate Professional Responsibility Examination administered by the National Conference of Bar Examiners.
- (B) A member may offset the inactive status period for the purpose of calculating the seven years necessary to actuate the requirements of paragraph (A) as follows:
 - (1) Active Licensure in Another State. Each year of active licensure in another state during the period of inactive status shall offset one year of inactive status for the purpose of calculating the seven years necessary to actuate the requirements of paragraph (A). If the member is not required to satisfy the requirements of paragraph (A) as a consequence of offsetting, the member shall satisfy the CLE requirements set forth in paragraph (c)(4) for each year that the member was inactive up to a maximum of seven years.
 - (2) Military Service. Each calendar year in which an inactive member served on full-time, active military duty, whether for the entire calendar year or some portion thereof, shall offset one year of inactive status for the purpose of calculating the seven years necessary to actuate the requirements of paragraph (A). If the member is not required to satisfy the requirements of paragraph (A) as a consequence of offsetting, the member shall satisfy the CLE requirements set forth in paragraph (c)(4) for each year that the member was inactive up to a maximum of seven years.
 - (3) Federal Court Judicial Service. Each calendar year in which an inactive member served in the federal judiciary, whether for the entire calendar year or some portion thereof, shall offset one year of inactive status for the purpose of calculating the seven years necessary to actuate the requirements of paragraph (A). - (6) Payment of Fees, Assessments and Costs.
The member must pay all of the following:
 - (A) a reinstatement fee in an amount to be determined by the council;
 - (B) the membership fee and the Client Security Fund assessment for the year in which the application is filed;

(d) Service of Reinstatement Petition

The petitioner shall serve the petition on the secretary. The secretary shall transmit a copy of the petition to the members of the Administrative Committee and to the counsel.

(e) Investigation by Counsel

The counsel may conduct any necessary investigation regarding the petition and shall advise the members of the Administrative Committee of any findings from such investigation.

(f) Recommendation of Administrative Committee

After any investigation of the petition by the counsel is complete, the Administrative Committee will consider the petition at its next meeting and shall make a recommendation to the council regarding whether the petition should be granted. The chair of the Administrative Committee may appoint a panel composed of at least three members of the

committee to consider any petition for reinstatement and, on behalf of the Administrative Committee, to make a recommendation to the council regarding whether the petition should be granted.

- (1) Conditions Precedent to Reinstatement. Upon a determination that the petitioner has failed to demonstrate competence to return to the practice of law, the committee may require the petitioner to complete a specified number of hours of continuing legal education, which shall be in addition to the requirements set forth in Rule .0902(c)(2) and (4) above, as a condition precedent to the committee's recommendation that the petition be granted,
- (2) Conditions Subsequent to Reinstatement. Upon a determination that the petitioner is fit to return to the practice of law pursuant to the reasonable management of his or her substance abuse, addiction, or debilitating mental condition, the committee may recommend to the council that the reinstatement petition be granted with reasonable conditions to which the petitioner consents. Such conditions may include, but are not limited to, an evaluation by a mental health professional approved by the Lawyer Assistance Program (LAP), compliance with the treatment recommendations of the mental health professional, periodic submission of progress reports by the mental health professional to LAP, and waiver of confidentiality relative to diagnosis and treatment by the mental health professional.
- (3) Failure of Conditions Subsequent to Reinstatement. In the event the petitioner fails to satisfy the conditions of the reinstatement order, the committee shall issue a notice directing the petitioner to show cause, in writing, why the petitioner should not be suspended from the practice of law. Notice shall be served and the right to request a hearing shall be as provided in Rule .0902(g) below. The hearing shall be conducted as provided in Section .1000 of this subchapter provided, however, the burden of proof shall be upon the petitioner to show by clear, cogent, and convincing evidence that he or she has satisfied the conditions of the reinstatement order.

(g) Hearing Upon Denial of Petition for Reinstatement

- (1) Notice of Council Action and Request for Hearing
If the council denies a petition for reinstatement, the petitioner shall be notified in writing within 14 days after such action. The notice shall be served upon the petitioner pursuant to Rule 4 of the N.C. Rules of Civil Procedure and may be served by a State Bar investigator or any other person authorized by Rule 4 of the N.C. Rules of Civil Procedure to serve process.

Reinstatement by the secretary is discretionary. If the secretary declines to reinstate a member, the member's petition shall be submitted to the Administrative Committee at its next meeting and the procedure for review of the reinstatement petition shall be as set forth in paragraph (f) of this rule.

(i) Denial of Petition

When a petition for reinstatement is denied by the council in a given calendar year, the member may not petition again until the following calendar year. The reinstatement fee, costs, and any fees paid pursuant to paragraph (c)(6) shall be retained. (a) Procedure for Enforcement of Obligations of Membership. Whenever a member of the North Carolina State Bar fails to fulfill an obligation of membership in the State Bar, whether established by the administrative rules of the State Bar or by statute, the member shall be subject to administrative suspension from membership pursuant to the procedure set forth in this rule; provided, however, that the procedures for the investigation of and action upon alleged violations of the Rules of Professional Conduct by a member are set forth in subchapter 01B of these rules and that no aspect of any procedure set forth in this rule shall be applicable to the State Bar's investigation of or action upon alleged violations of the Rules of Professional Conduct by a member.

(1) The following are examples of obligations of membership that will be enforced by administrative suspension. This list is illustrative and not exclusive:

- (A) Payment of the annual membership fee, including any associated late fee as set forth in G.S. 84-34;
- (B) Payment of the annual Client Security Fund assessment;
- (C) Payment of the costs of a disciplinary, disability, reinstatement, show cause, or other proceeding of the State Bar as ordered by the chair of the Grievance Committee, the Disciplinary Hearing Commission, the secretary, or the council;

(b) Notice. Whenever it appears that a member has failed to comply, in a timely fashion, with an obligation of membership in the State Bar as established by the administrative rules of the State Bar or by statute, the secretary shall prepare a written notice directing the member to show cause, in writing, within 30 days of the date of service of the notice why he or she should not be suspended from the practice of law.

(c) Service of the Notice. The notice shall be served on the member by mailing a copy thereof by registered or certified mail or designated delivery service (such as Federal Express or UPS), return receipt requested, to the last known address of the member contained in the records of the North Carolina State Bar or such later address as may be known to the person attempting service. Service of the notice may also be accomplished by (i) personal service by a State Bar investigator or by any person authorized by Rule 4 of the North Carolina Rules of Civil Procedure to serve process, or (ii) email sent to the email address of the member contained in the records of the North Carolina State Bar if the member sends an email from that same email address to the State Bar acknowledging such service.

(d) Entry of Order of Suspension upon Failure to Respond to Notice to Show Cause. Whenever a member fails to show cause in writing within 30 days of the service of the notice to show cause upon the member, and it appears that the member has failed to comply with an obligation of membership in the State Bar as established by the administrative rules of the State Bar or by statute, the council may enter an order suspending the member from the practice of law. The order shall be effective 30 days after proof of service on the member. The order shall be served on the member by mailing a copy thereof by registered or certified mail or designated delivery service, return receipt requested, to the last-known address of the member contained in the records of the North Carolina State Bar or such later address as may be known to the person attempting service. (e) Procedure upon Submission of a Timely Response to a Notice to Show Cause

- (1) Consideration by Administrative Committee. If a member submits a written response to a notice to show cause within 30 days of the service of the notice upon the member, the Administrative Committee shall consider the matter at its next regularly scheduled meeting. The member may personally appear at the meeting and be heard, may be represented by counsel, and may offer witnesses and documents. The counsel may appear at the meeting on behalf of the State Bar and be heard, and may offer witnesses and documents. The burden of proof shall be upon the member to show cause by clear, cogent, and convincing evidence why the member should not be suspended from the practice of law for the apparent failure to fulfill an obligation of membership in the State Bar as established by the administrative rules of the State Bar or by statute.

Notice may also be by personal service by a State Bar investigator or any other person authorized by Rule 4 of the North Carolina Rules of Civil Procedure to serve process. If the member fails to fulfill the obligations set forth in Rule .0128 of Subchapter 01B within 30 days of the effective date of the order, the member shall be subject to professional discipline.

(f) Late Compliance. If a member fulfills the obligation of membership before a suspension order is entered by the council, no order of suspension will be entered.

(g) Administrative Suspension Pursuant to Statute. The provisions of this rule notwithstanding, if any section of the North Carolina General Statutes requires suspension of an occupational license, the procedure for suspension pursuant to such statute shall be as established by the statute. 27 NCAC 01D .1316 IOLTA ACCOUNTS

(a) **IOLTA Account Defined.** Pursuant to order of the North Carolina Supreme Court, every general trust account, as defined in the Rules of Professional Conduct, must be an interest or dividend-bearing account. (As used herein, "interest" shall refer to both interest and dividends.) Funds deposited in a general, interest-bearing trust account must be available for withdrawal upon request and without delay (subject to any notice period that the bank is required to reserve by law or regulation). Additionally, pursuant to G.S. 45A-9, a settlement agent who maintains a trust or escrow account for the purposes of receiving and disbursing closing funds and loan funds shall direct that any interest earned on funds held in that account be paid to the North Carolina State Bar to be used for the purposes authorized under the Interest on Lawyers' Trust Account Program according to Section .1316(d) below. For the purposes of these rules, all such accounts shall be known as "IOLTA Accounts" (also referred to as "Accounts").

(b) **Eligible Banks.** Lawyers may only maintain an IOLTA Account at banks and savings and loan associations chartered under North Carolina or federal law, as required by Rule 1.15 of the Rules of Professional Conduct, that offer and maintain IOLTA Accounts that comply with the requirements set forth in this Subchapter (Eligible Banks). Settlement agents shall maintain any IOLTA Account as defined by G.S. 45A-9 and Paragraph (a) above only at an Eligible Bank; however, a settlement agent that is not a lawyer may maintain an IOLTA Account at any bank that is insured by the Federal Deposit Insurance Corporation and has a certificate of authority to transact business from the North Carolina Secretary of State, provided the bank is approved by NC IOLTA. The determination of whether a bank is eligible shall be made by NC IOLTA, which shall maintain (i) a list of participating Eligible Banks available to all members of the State Bar and to all settlement agents, and (ii) a list of banks approved for non-lawyer settlement agent IOLTA Accounts available to non-lawyer settlement agents. A bank that fails to meet the requirements of this Subchapter shall be subject only to termination of its eligible or approved status by NC IOLTA. A violation of this Rule shall not be the basis for civil liability.

(c) **Notice Upon Opening or Closing IOLTA Account.** Every lawyer/law firm or settlement agent maintaining IOLTA Accounts shall advise NC IOLTA of the establishment or closing of each IOLTA Account. Such notice shall include (i) the name of the bank where the account is maintained, (ii) the name of the account, (iii) the account number, and (iv) the names and bar numbers of the lawyers in the firm and/or the names of any non-lawyer settlement agents maintaining the account. The North Carolina State Bar shall furnish to each lawyer/law firm or settlement agent maintaining an IOLTA Account a notice to clients explaining the program, which shall be exhibited in the office of the lawyer/law firm or settlement agent.

(d) **Directive to Bank.** Every lawyer/law firm or settlement agent maintaining a North Carolina IOLTA Account shall direct any bank in which an IOLTA Account is maintained to:

- (1) remit interest, less any deduction for allowable reasonable bank service charges or fees, (as used herein, "service charges" shall include any charge or fee charged by a bank on an IOLTA Account) as defined in Paragraph (e), at least quarterly to NC IOLTA;
- (2) transmit with each remittance to NC IOLTA a statement showing for each account: (i) the name of the lawyer/law firm or settlement agent maintaining the account, (ii) the lawyer/law firm's or settlement agent's IOLTA Account number, (iii) the earnings period, (iv) the average balance of the account for the earnings period, (v) the type of account, (vi) the rate of interest applied in computing remittance, (vii) the amount of any service charges for the earnings period, and (viii) the net remittance for the earnings period; and
- (3) transmit to the lawyer/law firm or settlement agent maintaining the account a report showing the amount remitted to NC IOLTA, the earnings period, and the rate of interest applied in computing the remittance.

(e) **Allowable Reasonable Service Charges.** Eligible Banks may elect to waive any or all service charges on IOLTA Accounts. If a bank does not waive service charges on IOLTA Accounts, allowable reasonable service charges may be assessed but only against interest earned on the IOLTA Account or funds deposited by the lawyer/law firm or settlement agent in the IOLTA Account for the purpose of paying such charges. Allowable reasonable service charges may be deducted from interest on an IOLTA Account only at the rates and in accordance with the bank's standard practice for comparable non-IOLTA accounts. Allowable reasonable service charges for IOLTA Accounts are: (i) a reasonable Account maintenance fee, (ii) per check charges, (iii) per deposit charges, (iv) a fee in lieu of a minimum balance, (v) federal deposit insurance fees, and (vi) automated transfer (Sweep) fees. All service charges other than allowable reasonable service charges assessed against an IOLTA Account are the responsibility of and shall be paid by the lawyer/law firm or settlement agent. No service charges in excess of the interest earned on the

Account for any month or quarter shall be deducted from interest earned on other IOLTA Accounts or from the principal of the Account.

27 NCAC 01D .1317 COMPARABILITY REQUIREMENTS FOR IOLTA ACCOUNTS

(a) **Comparability of Interest Rate.** Eligible Banks that offer and maintain IOLTA Accounts must pay to an IOLTA Account the highest interest rate generally available from the bank to non-IOLTA Accounts (Comparable Rate) when the IOLTA Account meets or exceeds the same minimum balance or other account eligibility qualifications, if any. In determining the highest interest rate generally available from the bank to non-IOLTA accounts, an Eligible Bank may consider factors, in addition to the IOLTA account balance, customarily considered by the bank when setting interest rates for its customers, provided that such factors do not discriminate between IOLTA accounts and non-IOLTA accounts.

(b) **Options for Satisfying Requirement.** An Eligible Bank may satisfy the Comparable Rate requirement by electing one of the following options:

- (1) use an account product that has a Comparable Rate;
- (2) without actually changing the IOLTA Account to the bank's Comparable Rate product, pay the Comparable Rate on the IOLTA Account; or
- (3) pay the benchmark rate (Benchmark), which shall be determined by NC IOLTA periodically, but not more frequently than every six months, to reflect the overall Comparable Rate for the NC IOLTA program. The Benchmark shall be a rate equal to the greater of: (i) 0.65 percent or (ii) 65 percent of the Federal Funds Target Rate as of the first business day of the IOLTA remitting period, and shall be net of allowable reasonable service charges. When applicable, NC IOLTA will express the Benchmark in relation to the Federal Funds Target Rate.

(c) **Options for Account Types.** An IOLTA Account may be established as:

- (1) subject to Paragraph (d), a business checking account with an automated investment feature (Sweep Account), such as an overnight investment in financial institution daily repurchase agreements or money market funds invested solely in or fully collateralized by US government securities, which are US Treasury obligations and obligations issued or guaranteed as to principal and interest by the United States or any agency or instrumentality thereof;
- (2) a checking account paying preferred interest rates, such as market based or indexed rates;
- (3) a public funds interest-bearing checking account, such as accounts used for governmental agencies and other non-profit organizations;
- (4) an interest-bearing checking account such as a negotiable order of withdrawal (NOW) account, or business checking account with interest; or
- (5) any other suitable interest-bearing deposit account offered by the bank to its non-IOLTA customers.

(d) **Financial Requirements for Sweep Accounts.** If a bank establishes an IOLTA Account as described in Paragraph (c)(1), the following requirements must be satisfied: an overnight investment in a financial institution daily repurchase agreement shall be fully collateralized by United States government securities, as described in this Rule, and may be established only with an Eligible Bank that is "well capitalized" or "adequately capitalized" as those terms are defined by applicable federal statutes and regulations. A "money market fund" is an investment company registered under the Investment Company Act of 1940, as amended, that is qualified to hold itself out to investors as a money market fund under Rules and Regulations adopted by the Securities and Exchange Commission pursuant to said Act. A money market fund shall be invested solely in United States government securities or repurchase agreements fully collateralized by United States government securities, as described in this Rule, and, at the time of the investment, shall have total assets of at least two hundred fifty million dollars (\$250,000,000).

(e) **Interest Calculation.** Interest shall be calculated in accordance with an Eligible Bank's standard practice for comparable non-IOLTA Accounts.

(f) Higher Rates and Waiver of Service Charges Allowed. Nothing in this rule shall preclude a participating bank from paying a higher interest rate than described above or electing to waive any service charges on IOLTA Accounts.

Eff. July 1, 2010.

27 NCAC 01D .1318 CONFIDENTIALITY

(b) Confidential information shall not be disclosed by the staff or trustees of NC IOLTA to any person or entity, except that confidential information may be disclosed (1) to any chairperson of the grievance committee, staff attorney, or investigator of the North Carolina State Bar upon his or her written request specifying the information requested and stating that the request is made in connection with a grievance complaint or investigation regarding one or more trust accounts of a lawyer/law firm or settlement agent; or (2) in response to a lawful order or other process issued by a court of competent jurisdiction, or a subpoena, investigative demand, or similar notice issued by a federal, state, or local law enforcement agency.

27 NCAC 01D .1401 PURPOSE; DEFINITIONS

(a) The Client Security Fund of the North Carolina State Bar was established by the Supreme Court of North Carolina pursuant to an order dated August 29, 1984. The fund is a standing committee of the North Carolina State Bar Council pursuant to an order of the Supreme Court dated October 10, 1984, as amended. Its purpose is to reimburse, in whole or in part in appropriate cases and subject to the provisions and limitations of the Supreme Court's orders and these Rules, clients who have suffered financial loss as the result of dishonest conduct of lawyers engaged in the private practice of law in North Carolina, which conduct occurred on or after January 1, 1985.

(b) As used herein the following terms have the meaning indicated.

- (2) "Attorney" shall mean an attorney who, at the time of alleged dishonest conduct, was licensed to practice law by the North Carolina State Bar. The fact that the alleged dishonest conduct took place outside the state of North Carolina does not necessarily mean that the attorney was not engaged in the practice of law in North Carolina.

- (4) "Council" shall mean the North Carolina State Bar Council.
- (5) "Dishonest conduct" shall mean wrongful acts committed by an attorney against an applicant in the nature of embezzlement from the applicant or the wrongful taking or conversion of monies or other property of the applicant, which monies or other property were entrusted to the attorney by the applicant by reason of an attorney-client relationship between the attorney and the applicant or by reason of a fiduciary relationship between the attorney and the applicant customary to the practice of law.
- (6) "Fund" shall mean the Client Security Fund of the North Carolina State Bar.

 - (D) losses, reimbursement for which has been otherwise received from or paid by or on behalf of the attorney who committed the dishonest conduct;
 - (E) losses arising in investment transactions in which there was neither a contemporaneous attorney-client relationship between the attorney and the applicant nor a

contemporaneous fiduciary relationship between the attorney and the applicant customary to the practice of law. By way of illustration but not limitation, for purposes of this Rule [Part (b)(8)(E) of this Rule], an attorney authorized or permitted by a person or entity other than the applicant as escrow or similar agent to hold funds deposited by the applicant for investment purposes shall not be deemed to have a fiduciary relationship with the applicant customary to the practice of law.

- (c) A copy of the application shall be served upon or sent by registered mail to the last known address of the attorney who it is alleged committed an act of dishonest conduct.
- (d) After considering a report of investigation as to an application, any board member may request that testimony be presented concerning the application. In all cases, the alleged defalcating attorney or his or her representative will be given an opportunity to be heard by the board if the attorney so requests.
- (e) The board shall operate the Fund so that, taking into account assessments ordered by the Supreme Court but not yet received and anticipated investment earnings, a principal balance of approximately one million dollars (\$1,000,000) is maintained. Subject to the foregoing, the board shall, in its discretion, determine the amount of loss, if any, for which each applicant should be reimbursed from the Fund. In making such determination, the board shall consider, inter alia, the following:
 - (1) the negligence, if any, of the applicant which contributed to the loss;
 - (2) the comparative hardship which the applicant suffered because of the loss;
 - (3) the total amount of reimbursable losses of applicants on account of any one attorney or firm or association of attorneys;
 - (4) the total amount of reimbursable losses in previous years for which total reimbursement has not been made and the total assets of the Fund;
 - (5) the total amount of insurance or other source of funds available to compensate the applicant for any reimbursable loss.
- (f) The board may, in its discretion, allow further reimbursement in any year of a reimbursable loss reimbursed in part by it in prior years.
- (g) Provided, however, and the foregoing notwithstanding, in no case shall the Fund reimburse the otherwise reimbursable losses sustained by any one applicant as a result of the dishonest conduct of one attorney in an amount in excess of one hundred thousand dollars (\$100,000).

- (h) No reimbursement shall be made to any applicant unless reimbursement is approved by a majority vote of the entire board at a duly held meeting at which a quorum is present.
- (i) No attorney shall be compensated by the board for prosecuting an application before it.
- (j) An applicant may be advised of the status of the board's consideration of the application and shall be advised of the final determination of the board.
- (k) All applications, proceedings, investigations, and reports involving applicants for reimbursement shall be kept confidential until and unless the board authorizes reimbursement to the applicant, or the attorney alleged to have engaged in dishonest conduct requests that the matter be made public. All participants involved in an application, investigation, or proceeding (including the applicant) shall conduct themselves so as to maintain the confidentiality of the application, investigation or proceeding. This provision shall not be construed to deny relevant information to be provided by the board to disciplinary committees or to anyone else to whom the council authorizes release of information.
- (l) The board may, in its discretion, for newly discovered evidence or other compelling reason, grant a request to reconsider any application which the board has denied in whole or in part; otherwise, such denial is final and no further consideration shall be given by the board to such application or another application upon the same alleged facts.

27 NCAC 01D .1419 SUBROGATION FOR REIMBURSEMENT

- (a) In the event reimbursement is made to an applicant, the State Bar shall be subrogated to the amount reimbursed and may bring an action against the attorney or the attorney's estate either in the name of the applicant or in the name of the State Bar. As a condition of reimbursement, the applicant may be required to execute a "subrogation agreement" to such effect. Filing of an application constitutes an agreement by the applicant that the North Carolina State Bar shall be subrogated to the rights of the applicant to the extent of any reimbursement. Upon commencement of an action by the State Bar pursuant to its subrogation rights, it shall advise the reimbursed applicant at his or her last known address. A reimbursed applicant may then join in such action to recover any loss in excess of the amount reimbursed by the Fund. Any amounts recovered from the attorney by the board in excess of the amount to which the Fund is subrogated, less the board's actual costs of such recovery, shall be paid to or retained by the applicant as the case may be.
- (b) Before receiving a payment from the Fund, the person who is to receive such payment or his or her legal representative shall execute and deliver to the board a written agreement stating that in the event the reimbursed applicant or his or her estate should ever receive any restitution from the attorney or his or her estate, the reimbursed applicant agrees that the Fund shall be repaid up to the amount of the reimbursement from the Fund plus expenses.

SECTION .1500 – RULES GOVERNING THE ADMINISTRATION OF THE CONTINUING LEGAL EDUCATION PROGRAM

27 NCAC 01D .1501 SCOPE, PURPOSE AND DEFINITIONS

- (a) Scope

Except as provided herein, these rules shall apply to every active member licensed by the North Carolina State Bar.

- (b) Purpose

The purpose of these continuing legal education rules is to assist lawyers licensed to practice and practicing law in North Carolina in achieving and maintaining professional competence for the benefit of the public whom they serve.

The North Carolina State Bar, under Chapter 84 of the General Statutes of North Carolina, is charged with the responsibility of providing rules of professional conduct and with disciplining lawyers who do not comply with such rules. The Rules of Professional Conduct adopted by the North Carolina State Bar and approved by the Supreme Court of North Carolina require that lawyers adhere to important ethical standards, including that of rendering competent legal services in the representation of their clients.

At a time when all aspects of life and society are changing rapidly or becoming subject to pressures brought about by change, laws and legal principles are also in transition (through additions to the body of law, modifications and amendments) and are increasing in complexity. One cannot render competent legal services without continuous education and training.

The same changes and complexities, as well as the economic orientation of society, result in confusion about the ethical requirements concerning the practice of law and the relationships it creates. The data accumulated in the discipline program of the North Carolina State Bar argue persuasively for the establishment of a formal program for continuing and intensive training in professional responsibility and legal ethics.

It is in response to such considerations that the North Carolina State Bar has adopted these minimum continuing legal education requirements. The purpose of these minimum continuing legal education requirements is the same as the purpose of the Rules of Professional Conduct themselves—to ensure that the public at large is served by lawyers who are competent and maintain high ethical standards.

- (b) Hours requirement. Each active member subject to these rules shall complete 24 hours of approved continuing legal education during each reporting period, as provided by these rules.

(c) Carryover credit. Members may carry over up to 12 credit hours from one reporting period to the next reporting period. Carryover hours will count towards a member's total hours requirement but may not be used to satisfy the requirements listed in Paragraphs (b)(1)-(3) of this Rule.

(d) The Board shall determine the process by which credit hours are allocated to lawyers' records to satisfy deficits from prior reporting years. The allocation shall be applied uniformly to the records of all affected lawyers and may not be appealed by an affected lawyer.

27 NCAC 01D .1520 REQUIREMENTS FOR PROGRAM APPROVAL

(a) Approval. CLE programs may be approved upon the application of a sponsor or an active member on an individual program basis. An application for such CLE program approval shall meet the following requirements:

- (1) The application shall be submitted in the manner directed by the Board.
 - (2) The application shall contain all information requested by the Board and include payment of any required application fees.

 - (4) The application shall disclose the cost to attend the program, including any tiered costs,
 - (5) The application shall include a detailed calculation of the total CLE hours requested, including whether any hours satisfy one of the requirements listed in Rules .1518(b) and .1518(d) of this Subchapter, and Rule 1.15-2(s)(3) of the Rules of Professional Conduct.
- (b) Program Application Deadlines and Fee Schedule.
- (1) Program Application and Processing Fees. Program applications submitted by sponsors shall comply with the deadlines and Fee Schedule set by the Board and approved by the Council, including any additional processing fees for late or expedited applications.
 - (2) Free Programs. Sponsors offering programs without charge to all attendees, including non-members of any membership organization, shall pay a reduced application fee.
 - (3) Member Applications. Members may submit a program application for a previously unapproved out of state, in-person program after the program is completed, accompanied by a reduced application fee. On-demand program applications must be submitted by the program sponsor.
 - (4) On-Demand CLE Programs. Approved on-demand programs are valid for three years. During this initial three-year term, sponsors shall pay an annual renewal fee each year in the amount set by the Board. After the initial three-year term, programs may be approved annually in a manner approved by the Board that includes a certification that the program content continues to meet the accreditation standards in Rule .1519 and the payment of a program recertification fee.
 - (5) Repeat Programs. Sponsors seeking approval for a program, or portion of a program, that was previously approved by the Board within the same CLE year (March 1 through the end of February) shall pay a reduced application fee.
- (c) Program Quality and Materials. The application and materials provided shall reflect that the program to be offered meets the requirements of Rule .1519 of this Subchapter. Sponsors and active members seeking credit for an approved program shall furnish, upon request of the Board, a copy of all materials presented and distributed at a CLE program. Any sponsor that expects to conduct a CLE program for which suitable materials will not be made available to all attendees may be required to show why materials are not suitable or readily available for such a program.

- (e) Notice of Application Decision. Sponsors shall not make any misrepresentations concerning the approval of a program for CLE credit by the Board. The Board will provide notice of its decision on CLE program approval requests pursuant to the schedule set by the Board and approved by the Council. A program will be deemed approved if the notice is not timely provided by the Board pursuant to the schedule. This automatic approval will not operate if the sponsor contributes to the delay by failing to provide the complete information requested by the Board or if the Board timely notifies the sponsor that the matter has been delayed.
- (f) Denial of Applications. Failure to provide the information required in the program application will result in denial of the program application. Applicants denied approval of a program may request reconsideration of such a decision by submitting a letter of appeal to the Board within 15 days of receipt of the notice of denial. The decision by the Board on an appeal is final.
- (g) Attendance Records. Sponsors shall timely furnish to the Board a list of the names of all North Carolina attendees together with their North Carolina State Bar membership numbers in the manner and timeframe prescribed by the Board.
- (h) Late Attendance Reporting. Absent good cause shown, a sponsor's failure to timely furnish attendance reports pursuant to this rule will result in (i) a late reporting fee in an amount set by the Board and approved by the Council, and (ii) the denial of that sponsor's subsequent program applications until the attendance is reported and the late fee is paid.

Any member who fails to complete his or her required hours by the end of the member's reporting period (i) shall be assessed a late compliance fee in an amount set by the Board and approved by the Council, and (ii) shall complete any outstanding hours within 60 days following the end of the reporting period. Failure to comply will result in a suspension order pursuant to Paragraph (c) below.

(c) Suspension Order for Failure to Comply. 60 days following the end of the reporting period, the Council shall issue an order suspending any member who fails to meet the requirements of these rules within 45 days after the service of the order, unless the member shows good cause in writing why the suspension should not take effect. Additionally, the member shall be assessed a non-compliance fee as described in Paragraph (d) below. Notice shall be served on the member by mailing a copy thereof by registered or certified mail or designated delivery service (such as Federal Express or UPS), return receipt requested, to the last known address of the member according to the records of the North Carolina State Bar or such later address as may be known to the person attempting service. Service of the notice may also be accomplished by (i) personal service by a State Bar investigator or by any person authorized by Rule 4 of the North Carolina Rules of Civil Procedure to serve process, or (ii) email sent to the email address of the member contained in the records of the North Carolina State Bar if the member sends an email from that same email address to the State bar acknowledging such service.

(d) Non-Compliance Fee. A member to whom a suspension order is issued pursuant to Paragraph (c) above shall be assessed a non-compliance fee in an amount set by the Board and approved by the Council; provided, however, upon a showing of good cause as determined by the Board as described in Paragraph (g)(2) below, the fee may be waived. The non-compliance fee is in addition to the late compliance fee described in Paragraph (b) above.

(e) Effect of Non-compliance with Suspension Order. If a member fails to meet the requirements during the 45-day period after service of the suspension order under Paragraph (c) above, the member shall be suspended from the practice of law subject to the obligations of a disbarred or suspended member to wind down the member's law practice as set forth in Rule .0128 of Subchapter 1B.

(f) Procedure Upon Submission of Evidence of Good Cause.

- (1) Consideration by the Board. If the member files a timely response to the suspension order attempting to show good cause for why the suspension should not take effect, the suspension order shall be stayed and the Board shall consider the matter at its next meeting. The Board shall review all evidence presented by the member to determine whether good cause has been shown.
- (2) Recommendation of the Board. The Board shall determine whether the member has shown good cause as to why the member should not be suspended. If the Board determines that good cause has not been shown, the member's suspension shall become effective 15 calendar days after the date of the letter notifying the member of the decision of the Board. The member may request a hearing by the Administrative Committee within the 15-day period after the date of the Board's decision letter. The member's suspension shall be stayed upon a timely request for a hearing.
- (3) Hearing Before the Administrative Committee. The Administrative Committee shall consider the matter at its next regularly scheduled meeting. The burden of proof shall be upon the member to show cause by clear, cogent, and convincing evidence why the member should not be suspended from the practice of law for failure to comply with the rules governing the continuing legal education program.
- (4) Administrative Committee Decision. If the Administrative Committee determines that the member has not met the burden of proof, the member's suspension shall become effective immediately. The decision of the Administrative Committee is final.

(g) Reinstatement. Suspended members must petition for reinstatement to active status pursuant to Rule .0904(b)-

(h) of this Subchapter.

(a) Registered Sponsor Status. Notwithstanding the requirements of Rule .1520(b), the following rules apply to registered sponsors:

- (1) Presumptive Approval of Programs. Once an organization is approved as a registered sponsor, the continuing legal education programs sponsored by that organization are presumptively approved for credit; however, application must still be made to the board for approval of each program pursuant to Rule .1520(a). The Board will provide notice of its decision on CLE program approval requests pursuant to the schedule set by the Board and approved by the Council. A program will be deemed approved if the notice is not timely provided by the Board pursuant to the schedule. The registered sponsor may request reconsideration of an unfavorable accreditation decision by submitting a letter of appeal to the Board within 15 days of receipt of the notice of disapproval. The decision by the Board on an appeal is final.
- (2) Professionalism for New Admittees (PNA) Programs. Registered sponsors shall be permitted to provide PNA programs approved pursuant to Rule .1525 of this subchapter.

- (1) The sponsor shall submit an application in the manner directed by the Board;
- (2) The application shall contain all information requested by the Board and include payment of an application fee in an amount set by the Board;
- (3) The sponsor must have had at least 20 programs approved for credit in the year prior to applying for Registered Sponsor status; and

(c) Annual Renewal. Registered Sponsors must renew their status annually in the time and manner directed by the Board, including the payment of an annual renewal fee in an amount set by the Board.

(d) Revocation of Registered Sponsor Status. The Board may, at any time and in its sole discretion, revoke the registration of a registered sponsor for failure to satisfy the requirements of this subchapter. A sponsor who has its status revoked may re-apply for Registered Sponsor Status pursuant to Paragraph (b) of this rule.

(e) Previously Registered Sponsors. A sponsor that was previously designated by the board as a registered sponsor prior to the effective date of this revised rule shall maintain its registered sponsor status for the duration of the CLE year in which this rule becomes effective but shall be required to renew its status annually subject to the revised eligibility requirements in Paragraph (b) of this rule.

Repeat programs qualify for one-half of the credits available for the initial program. For example, an initial presentation of 45 minutes would qualify for 4.5 hours of credit, and the repeat program would qualify for 2.25 hours of credit.

PNA programs may only be provided by sponsors registered under Rule .1522 of this subchapter or judicial district bars specifically approved by the Board to offer PNA programs. To be approved as a PNA program, the program must satisfy the annual content requirements, and a sponsor must submit a detailed description of the program to the Board for approval. A sponsor may not advertise a PNA program until approved by the Board. PNA programs shall be specially designated by the Board and no program that is not so designated shall satisfy the PNA program requirement for new members.

(b) Timetable and Partial Credit. The PNA program shall be presented in two six-hour blocks (with appropriate breaks) over two days. The six-hour blocks do not have to be attended on consecutive days or taken from the same provider; however, no partial credit shall be awarded for attending less than an entire six-hour block unless a special circumstances exemption is granted by the Board. The Board may approve an alternative timetable for a PNA program upon demonstration by the provider that the alternative timetable will provide an enhanced learning experience or for other good cause; however, no partial credit shall be awarded for attending less than the entire 12-hour program unless a special circumstances exemption is granted by the Board.

(c) Online programs. The PNA program may be distributed over the internet by live streaming, but no part of the program may be taken on-demand unless specifically authorized by the Board.

(d) PNA Requirement. Except as provided in Rule .1517(1), each newly admitted active member of the North Carolina State Bar must complete the PNA program during the member's first reporting period. Each specialty committee shall be composed of seven members appointed by the board, one of whom shall be designated annually by the chairperson of the board as chairperson of the specialty committee. Members of each specialty committee shall be lawyers licensed and currently in good standing to practice law in this state who, in the judgment of the board, are competent in the field of law to be covered by the specialty. Members shall hold office for three years, except those members initially appointed who shall serve as hereinafter designated. Members shall be appointed by the board to staggered terms of office and the initial appointees shall serve as follows: two shall serve for one year after appointment; two shall serve for two years after appointment; and three shall serve for three years after appointment. Appointment by the board to a vacancy shall be for the remaining term of the member leaving the specialty committee. All members shall be eligible for reappointment to not more than one additional three-year term after having served one full three-year term, provided, however, that the board may reappoint the chairperson of a committee to a third three-year term if the board determines that the reappointment is in the best interest of the specialization program. Meetings of the specialty committee shall be held at regular intervals at such times, places and upon such notices as the specialty committee may from time to time prescribe or upon direction of the board.

(b) Each specialty committee shall advise and assist the board in carrying out the board's objectives and in the implementation and regulation of this plan in that specialty. Each specialty committee shall advise and make recommendations to the board as to standards for the specialty and the certification of individual specialists in that specialty. Each specialty committee shall be charged with actively administering the plan in its specialty and with respect to that specialty shall

- (1) recommend to the board reasonable and nondiscriminatory standards applicable to that specialty;
- (2) make recommendations to the board for certification, continued certification, denial, suspension, or revocation of certification of specialists and for procedures with respect thereto;
- (3) administer procedures established by the board for applications for certification and continued certification as a specialist and for denial, suspension, or revocation of such certification;
- (4) administer examinations and other testing procedures, if applicable, investigate references of applicants and, if deemed advisable, seek additional information regarding applicants for certification or continued certification as specialists;
- (5) make recommendations to the board concerning the approval of and credit to be allowed for continuing legal education courses, or educational alternatives, in the specialty;
- (6) perform such other duties and make such other recommendations as may be delegated to or requested of the specialty committee by the board.

(c) The board may appoint advisory members to a specialty committee to assist with the development, administration, and grading of the examination, the drafting of standards for a subspecialty, and any other activity set forth in Paragraph (b) of this Rule. Advisory members shall be non-voting except as to any specific activity delegated to the advisory members by the board or by the chair of the specialty committee, including the evaluation of applications for certification. No more than five advisory members may be appointed to a specialty committee. Advisory members shall be lawyers licensed and currently in good standing to practice law in this state who, in the judgment of the board, are competent in the field of law to be covered by the specialty. 27 NCAC 01D .1720 MINIMUM STANDARDS FOR CERTIFICATION OF SPECIALISTS

(a) To qualify for certification as a specialist, a lawyer applicant must pay any required fee, comply with the following minimum standards, and meet any other standards established by the board for the particular area of specialty.

- (1) The applicant must be licensed in a jurisdiction of the United States for at least five years immediately preceding his or her application and must be licensed in North Carolina for at least three years immediately preceding his or her application. The applicant must be currently in good standing to practice law in this state and the applicant's disciplinary record with the courts, the North Carolina State Bar, and any other government licensing agency must support qualification in the specialty.
- (2) The applicant must make a satisfactory showing according to objective and verifiable standards, as determined by the board after advice from the appropriate specialty committee, of substantial involvement in the specialty during the five calendar years immediately preceding the calendar year of application. Such substantial involvement shall be defined as to each specialty from a consideration of its nature, complexity, and differences from other fields and from consideration of the kind and extent of effort and experience necessary to demonstrate competence in that specialty. It is a measurement of actual experience within the particular specialty according to any of several standards. It may be measured by the time spent on legal work within the areas of the specialty, the number or type of matters handled within a certain period of time or any combination of these or other appropriate factors. However, within each specialty, experience requirements should be measured by objective standards. In no event should they be either so restrictive as to unduly limit certification of lawyers as specialists or so lax as to make the requirement of substantial involvement meaningless as a criterion of competence. Substantial involvement may vary from specialty to specialty, but, if measured on a time-spent basis, in no

event shall the time spent in practice in the specialty be less than 25 percent of the total practice of a lawyer engaged in a normal full-time practice. Reasonable and uniform practice equivalents may be established including, but not limited to, successful pursuit of an advance educational degree, teaching, judicial, government, or corporate legal experience.

- (3) The applicant must make a satisfactory showing, as determined by the board after advice from the appropriate specialty committee, of continuing legal education in the specialty accredited by the board for the specialty, the minimum being an average of 12 hours of credit for continuing legal education, or its equivalent, for each of the three calendar years immediately preceding application. Upon establishment of a new specialty, this standard may be satisfied in such manner as the board, upon advice from the appropriate specialty committee, may prescribe or may be waived if, and to the extent, accreditable continuing legal education courses have not been available during the three years immediately preceding establishment of the specialty.
 - (4) The applicant must make a satisfactory showing, as determined by the board after advice from the appropriate specialty committee, of qualification in the specialty through peer review. The applicant must provide, as references, the names of at least ten lawyers, all of whom are licensed and currently in good standing to practice law in this state, or in any state, or judges, who are familiar with the competence and qualification of the applicant as a specialist. None of the references may be persons related to the applicant or, at the time of application, a partner of or otherwise associated with the applicant in the practice of law. The applicant by his or her application consents to confidential inquiry by the board or appropriate disciplinary body and other persons regarding the applicant's competence and qualifications to be certified as a specialist. An applicant must receive a minimum of five favorable peer reviews to be considered by the board for compliance with this standard.
 - (A) Each specialty committee shall evaluate the information provided by an applicant's references to make a recommendation to the board as to the applicant's qualification in the specialty through peer review. The evaluation shall include a determination of the weight to be given to each peer review and shall take into consideration a reference's years of practice, primary practice areas and experience in the specialty, and the context in which a reference knows the applicant.
 - (5) The applicant must achieve a satisfactory score on a written examination designed to test the applicant's knowledge and ability in the specialty for which certification is applied. The examination must be applied uniformly to all applicants within each specialty area. The board shall assure that the contents and grading of the examination are designed to produce a uniform level of competence among the various specialties.
- (b) All matters concerning the qualification of an applicant for certification, including, but not limited to, applications, references, tests and test scores, files, reports, investigations, hearings, findings, recommendations, and adverse determinations shall be confidential so far as is consistent with the effective administration of this plan, fairness to the applicant and due process of law.
- (c) The board may adopt uniform rules waiving the requirements of Rules .1720(a)(4) and (5) above for members of a specialty committee, including advisory members, at the time that the initial written examination for that specialty or any subspecialty of the specialty is given, and permitting said members to file applications to become a board certified specialist in that specialty upon compliance with all other required minimum standards for certification of specialists.
- (d) Upon written request of the applicant and with the recommendation of the appropriate specialty committee, the board may for good cause shown waive strict compliance with the criteria relating to substantial involvement, continuing legal education, or peer review, as those requirements are set forth in the standards for certification for specialization. However, there shall be no waiver of the requirements that the applicant pass a written examination and be licensed to practice law in North Carolina for five years preceding the application.

*History Note: Authority G.S. 84-23;
Readopted Eff. December 8, 1994;
Amended Eff. August 27, 2013; August 23, 2012; March 8, 2012; March 10, 2011; March 3, 2005.*

(a) The period of certification as a specialist shall be five years. During such period the board or appropriate specialty committee may require evidence from the specialist of his or her continued qualification for certification as a specialist, and the specialist must consent to inquiry by the board, or appropriate specialty committee of lawyers and judges, the appropriate disciplinary body, or others in the community regarding the specialist's continued competence and qualification to be certified as a specialist. Application for and approval of continued certification as a specialist shall be required prior to the end of each five-year period. To qualify for continued certification as a specialist, a lawyer applicant must pay any required fee, must demonstrate to the board with respect to the specialty both continued knowledge of the law of this state and continued competence and must comply with the following minimum standards.

- (1) The specialist's disciplinary record with the courts, the North Carolina State Bar, and any other government licensing agency supports qualification in the specialty.
- (2) The specialist must make a satisfactory showing, as determined by the board after advice from the appropriate specialty committee, of substantial involvement in the specialty during the entire period of certification as a specialist. Substantial involvement for continued certification shall be determined in accordance with the principles set forth in Rule .1720(a)(2) of this subchapter and the specific standards for each specialty. In addition, unless prohibited or limited by the standards for a particular specialty, the following judicial service may be substituted for the equivalent years of practice experience if the applicant's judicial service included presiding over cases in the specialty: service as a full-time state or federal trial, appellate, or bankruptcy judge (including service as a federal magistrate judge); service as a judge for the courts of a federally recognized Indian tribe; service as an administrative law judge for the Social Security Administration; and service as a commissioner or deputy commissioner of the Industrial Commission.
- (3) The specialist must make a satisfactory showing, as determined by the board after advice from the appropriate specialty committee, of continuing legal education accredited by the board for the specialty during the period of certification as a specialist, the minimum being an average of 12 hours of credit for continuing legal education, or its equivalent, for each year during the entire period of certification as a specialist.
- (4) The specialist must comply with the requirements set forth in Rule .1720(a)(1).
- (5) The specialist must make a satisfactory showing of qualification in the specialty through peer review. The applicant must provide, as references, the names of at least six lawyers or judges, all of whom are licensed and currently in good standing to practice law in any state and familiar with the competence and qualification of the applicant as a specialist. For an application to be considered, completed peer reference forms must be received from at least three of the references. All other requirements relative to peer review set forth in Rule .1720(a)(4) of this subchapter apply to this standard.

(b) Upon written request of the applicant and with the recommendation of the appropriate specialty committee, the board may for good cause shown waive strict compliance with the criteria relating to substantial involvement, continuing legal education, or peer review, as those requirements are set forth in the standards for continued certification. Before or after taking a continuing legal education course that is not in the specialty or a related field, a specialist may petition the board to approve the program as satisfying the continuing legal education criteria for recertification. The petition shall show the relevancy of the program to the specialist's proficiency as a specialist, and be referred to the specialty committee for its recommendation prior to a decision by the board.

(c) After the period of initial certification, a specialist may request, in advance and in writing, approval from the board for a waiver of one year of the substantial involvement necessary to satisfy the standards for the specialist's next recertification. The specialist may request a waiver of one year of substantial involvement for every five years that the specialist has met the substantial involvement standard beginning with the period of initial certification. However, none of the years for which a waiver is requested may be consecutive. When a waiver of the substantial involvement requirement is granted, the specialist must satisfy all of the other requirements for recertification.

Amendments Approved by the Supreme Court: March 6, 2002; February 5, 2009; March 8, 2012;

The board may establish, on its own initiative or upon the specialty committee's recommendation, additional or more stringent standards for certification than those provided in Rules .1720 and .1721 of this Section. Additional standards or requirements established under this Rule need not be the same for initial certification and continued certification as a specialist. It is the intent of the plan that all requirements for certification or recertification in any area of specialty shall be no more or less stringent than the requirements in any other area of specialty.

27 NCAC 01D .1723 REVOCATION OR SUSPENSION OF CERTIFICATION AS A SPECIALIST

(a) Automatic Revocation or Suspension of Specialty Certification Following Professional Discipline. The board shall revoke its certification of a lawyer as a specialist if the lawyer is disbarred or receives a disciplinary suspension, any part of which is or subsequently becomes active, from the Disciplinary Hearing Commission of the North Carolina State Bar, a North Carolina court of law, or, if the lawyer is licensed in another jurisdiction in the United States, from a court of law or the regulatory authority of that jurisdiction. The board shall suspend its certification of a lawyer as a specialist if the lawyer receives a disciplinary suspension, all of which is stayed. If a stayed disciplinary suspension ends without becoming active, the lawyer may be reinstated as a specialist if the lawyer applies for recertification and satisfies all of the requirements for recertification as set forth in the recertification standards for the relevant specialty. During a suspension from specialty certification, application for recertification shall be deferred until the end of the suspension. This provision, and any amendment thereto, shall apply to discipline received on or after the effective date of the provision or the amendment as appropriate.

(b) Discretionary Revocation or Suspension. The board may revoke its certification of a lawyer as a specialist if the specialty is terminated or may suspend or revoke such certification if it is determined, upon the board's own initiative or upon recommendation of the appropriate specialty committee and after hearing before the board as provided in Rule .1802 and Rule .1803, that

- (1) the certification of the lawyer as a specialist was made contrary to the rules and regulations of the board;
- (2) the lawyer certified as a specialist made a false representation, omission or misstatement of material fact to the board or appropriate specialty committee;
- (3) the lawyer certified as a specialist has failed to abide by all rules and regulations promulgated by the board;
- (4) the lawyer certified as a specialist has failed to pay the fees required;
- (5) the lawyer certified as a specialist no longer meets the standards established by the board for the certification of specialists;
- (6) the lawyer certified as a specialist received professional discipline from the North Carolina State Bar other than suspension or disbarment from practice and the board finds that the conduct for which the professional discipline was received reflects adversely on the specialization program and the lawyer's qualification as a specialist;
- (7) the lawyer certified as a specialist received professional discipline from any state or federal court or tribunal or, if the lawyer is licensed in another jurisdiction, from the regulatory authority of that jurisdiction in the United States, or the lawyer certified as a specialist was found to have engaged in misconduct by any state or federal court or tribunal, and the board finds that the conduct for which the sanctions or professional discipline was received reflects adversely on the specialization program and the lawyer's qualification as a specialist; or
- (8) the lawyer certified as a specialist was criminally convicted by any state or federal court and the board finds that the conduct underlying the conviction reflects adversely on the specialization program and the lawyer's qualification as a specialist.

(c) Report to Board. A lawyer certified as a specialist has a duty to inform the board promptly of any professional discipline received by the lawyer, any judicial finding of misconduct, any criminal conviction, or any fact or circumstance described in Rules .1723(a) and (b) above. The board may consider a lawyer's failure to promptly report in determining whether to suspend or revoke certification.

(d) Reinstatement. If the board revokes its certification of a lawyer as a specialist, the lawyer cannot again be certified as a specialist unless he or she so qualifies upon application made as if for initial certification as a specialist and upon such other conditions as the board may prescribe. If the board suspends certification of a lawyer as a specialist, such certification cannot be reinstated except upon the lawyer's application therefor and compliance with such conditions and requirements as the board may prescribe.

- (2) Special circumstances unique to the specialist constituting undue hardship or other reasonable basis for exempting the specialist from the substantial involvement standard for continued certification; including, but not limited to, marriage to active-duty military personnel requiring frequent relocation, active duty in the military reserves, disability lasting a total of six months or more over a 12-month period of time, and illness of an immediate family member requiring leaves of absence from work in excess of six months or more over a 12-month period of time; and

SECTION .1800 - HEARING AND APPEAL RULES OF THE BOARD OF LEGAL SPECIALIZATION

27 NCAC 01D .1801 INCOMPLETE APPLICATIONS; RECONSIDERATION OF APPLICATIONS REJECTED BY SPECIALTY COMMITTEE; AND RECONSIDERATION PROCEDURE

(a) Incomplete Applications. The executive director of the North Carolina State Bar Board of Legal Specialization (the board) will review every application to determine if the application is complete. An application is incomplete if it does not include complete answers to every question on the application and copies of all documents requested on the application. The applicant will be notified in writing if an application is incomplete. The applicant must submit the information necessary to complete the application within 21 days of the date of the notice. If the applicant fails to provide the required information during the requisite time period, the executive director will return the application to the applicant together with a refund of the application fee less a fifty dollar (\$50.00) administrative fee. The decision of the executive director to reject an application as incomplete is final unless the applicant shows good cause for an extension of time to provide the required information. This provision does not apply to an application with respect to which fewer than five completed peer review forms have been timely filed with the board.

(b) Denial of Application by Specialty Committee. The executive director shall refer all complete applications to the specialty committee for review for compliance with the standards for certification in the specialty area for which certification is sought.

After reviewing the applications, the specialty committee shall recommend to the board the acceptance or rejection of the applications. The specialty committee shall notify the board of its recommendations in writing and the reason for any negative recommendation must be specified.

- (1) Notification to Applicant of the Specialty Committee's Action. The executive director shall promptly notify the applicant in writing of the specialty committee's recommendation of rejection of the application and the board's intention to act in accordance with the committee's recommendation. The notification must specify the reason for the recommendation of rejection of the application and shall inform the applicant of the right to petition pursuant to paragraph (c) of this rule for reconsideration of the recommendation of the specialty committee.
- (c) Petition for Reconsideration. Within 14 days of the date of the notice from the executive director that an application has been recommended for rejection by a specialty committee, the applicant may petition the board for reconsideration. The petition shall be in writing and shall include the following information: the applicant's election between a reconsideration hearing on the written record or in-person; and the reasons for which the applicant believes the specialty committee's recommendation should not be accepted.
- (d) Reconsideration Procedure. Upon receipt of a petition filed pursuant to paragraph (c) of this rule, a three-member panel of the board, to be appointed by the chairperson of the board, shall reconsider an application pursuant to the following procedures:
 - (1) Notice. The chairperson of the panel shall set the time and place of the hearing to reconsider the applicant's application as soon as practicable after the applicant's request for reconsideration is received. The applicant shall be notified of the date at least 10 days prior to the time set for the hearing.
 - (2) Reconsideration on the Written Record. If the applicant elects to have the matter decided on the written record, the applicant will not be present at the hearing and no witnesses will appear before the panel except the executive director of the specialization program, or a staff designee, who shall provide administrative support to the panel. At least 10 days prior to the hearing, the applicant shall provide the panel with copies of any documents that the applicant would like to be considered by the panel.
 - (3) Reconsideration In-Person. If the applicant elects to be present at the hearing, the applicant may be represented by counsel or represent himself or herself at such hearing. The applicant may offer witnesses and documents and may question any witness. At least 10 days prior to the hearing, the applicant shall provide the panel with copies of any documents that the applicant wants considered by the panel and, if the reconsideration is in-person, with the names of prospective witnesses. At least ten days prior to the hearing, the applicant shall be provided with copies of any documents that the executive director will submit to the panel, except confidential peer review forms or information, and with the names of prospective witnesses. Additional documents may be considered at the discretion of the panel.
 - (4) Burden of Proof. The applicant must make a clear and convincing showing that the application satisfies the standards for certification in the applicable specialty
 - (5) Conduct of Reconsideration Hearing.
 - (A) Preservation of Record. The hearing shall be recorded unless the applicant agrees in writing that the hearing shall not be recorded or, if the applicant wants an official transcript, the applicant pays the costs associated with obtaining a court reporter and makes all arrangements for the court reporter's services and for the preparation of the transcript.
 - (B) Procedural Rules. The reconsideration hearing shall not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted and may be considered by the panel according to its probative value if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions.
 - (C) Decision of the Panel. The decision of the panel shall be by a majority of the members of the panel and shall be binding upon the board. Written notification of the decision shall be sent to the applicant. If the board's decision is unfavorable, the notification shall set forth the grounds for the decision and shall notify the applicant of the right to appeal the decision to the North Carolina State Bar Council (the council) pursuant to Rule .1804 of this subchapter.
- (e) Failure of Applicant to Petition the Board for Reconsideration Within the Time Allowed by These Procedures. If the applicant does not petition the board for reconsideration of the specialty committee's recommendation of

rejection of the application within the time allowed by these rules, the board shall act on the matter at its next board meeting.

The executive director shall notify the lawyer of the board's action to grant or deny continued certification as a specialist upon application for continued certification pursuant to Rule .1721(a) of this Subchapter, or to revoke or suspend continued certification pursuant to Rule .1723(a) or (b) of this Subchapter. If the board's action is unfavorable, the notification shall set forth the grounds for the action and shall notify the lawyer of the right to a hearing if allowed by these rules.
- (d) Request for Hearing. Within 14 days of the date of the notice from the executive director of the board that the lawyer has been denied continued certification pursuant to Rule .1721(a) of this Subchapter or that certification has been revoked or suspended pursuant to Rule .1723(b) of this Subchapter, the lawyer must request a hearing before the board in writing. There is no right to a hearing upon automatic revocation pursuant to Rule .1723(a) of this Subchapter.
- (e) Hearing Procedure. Except as set forth in Rule .1802(f) below, the procedures set forth in Rule .1801(d) of this Subchapter shall be followed when a lawyer requests a hearing regarding the denial of continued certification pursuant to Rule .1721(a) of this Subchapter or the revocation or suspension of certification under Rule .1723(b) of this Subchapter.
- (f) Burden of Proof: Preponderance of the Evidence. A three-member panel of the board shall apply the preponderance of the evidence rule in determining whether the lawyer's certification should be continued, revoked, or suspended. The burden of proof is upon the lawyer.
- (g) Notification of Board's Decision. After the hearing, the board shall timely notify the lawyer of its decision regarding continued certification as a specialist. If the board's decision is unfavorable, the notification shall set forth the grounds for the decision and the lawyer's appeal rights under Rule .1804 of this Subchapter.

- (a) Review of Examination. Within 45 days of the date of the notice from the board's executive director that the applicant has failed the written examination, the applicant may review his or her examination at the office of the board at a time designated by the executive director. The applicant will be given the applicant's scores for each question on the examination. The applicant shall not copy, transcribe, or remove the examination from the board's office (or any other location established by the board for the review of the examination) and shall be subject to such other restrictions as the board deems necessary to protect the content of the examination.
- (b) Petition for Grade Review. If, after reviewing the examination, the applicant feels an error or errors were made in the grading, the applicant may file with the executive director a petition for grade review. The petition must be filed within 30 days after the last day of the exam review period and should set out in detail the examination questions and answers which, in the opinion of the applicant, have been incorrectly graded. Supporting information may be filed to substantiate the applicant's claim.
- (c) Denial of Petition by Chair. The director of the specialization program shall review the petition and determine whether, if all grading objections of the petitioner are decided in the petitioner's favor, the petitioner's grade on the

examination would be changed to a passing grade. If the director determines that the petitioner's grade would not be changed to passing, the director shall notify the chair who may deny the petition on this basis.

(d) Review Procedure. The applicant's examination and petition shall be submitted to a panel consisting of three members of the specialty committee (the grade review panel). All identifying information shall be redacted from the examination and petition prior to submission to the grade review panel. The grade review panel shall review the petition of the applicant and determine whether the grade of the examination should be changed. The grade review panel shall make a written report to the board setting forth its recommendation relative to the grade on the applicant's examination and an explanation of its recommendation.

(e) Decision of the Board. The board shall consider the petition and the report of the grade review panel and shall certify the applicant if it determines by majority vote that the applicant has satisfied all of the standards for certification.

(f) Failure of Examination Prepared and Administered by a Testing Organization on Behalf of the Board. Notwithstanding paragraphs (a) – (d) of this rule, if the board is utilizing a qualified organization to prepare and administer the certification examination for a specialty pursuant to Rule .1716(10) of this subchapter, an applicant for such specialty shall only be entitled to the review and appeal procedures of the organization.

The rejection of an application because it is incomplete shall not be appealable.

(b) Filing the Appeal. An appeal from a decision of the board as described in Paragraph (a) may be taken by filing with the executive director of the North Carolina State Bar (the State Bar) a written notice of appeal not later than 21 days after the date of the notice of the board's decision to the applicant who is denied certification or continued certification or to a lawyer whose certification is suspended or revoked.

- (a) Purpose of the Organization - The stated purposes for the original formation of the organization and any subsequent changes in those purposes shall be examined to determine whether the organization is dedicated to the maintenance of professional competence.
- (b) Background of the Organization - The length of time the organization has been in existence, whether the organization is a successor of another, the requirements for membership in the organization, the number of members which the organization has, the business structure under which the organization operates, and the professional qualifications of the individuals who direct the policies and operations of the organization shall be examined to determine whether the organization is a bona fide certifying organization.

27 NCAC 01D .2004 STANDARDS FOR APPROVAL OF CERTIFYING ORGANIZATIONS

The following standards are to be considered by the board in evaluating an application for approval of a certifying organization.

- (1) Uniform Applicability of Certification Standards - In general, the standards for certification in any specialty field must be understandable and easily applied to individual applicants. Certification by the organization must be available to any attorney who meets the standards, and the organization must not certify an attorney who has not demonstrably met each standard. The organization must agree to promptly inform the board of any material changes in its standards, definitions of specialty fields or certifying procedures and must further agree to respond promptly to any reasonable requests for information from the board.

- (2) Definitions of Specialty Fields - Every field of law in which certification is offered must be susceptible of meaningful definition and be an area in which North Carolina lawyers regularly practice.
- (3) Decision Making by Recognized Experts - The persons in a certifying organization making decisions regarding applicants shall include lawyers who, in the judgment of the board, are experts in the subject areas of practice and who each have extensive practice or involvement in those areas of practice.
- (4) Certification Standards - A certifying organization's standards for certification of specialists must include, as a minimum, the standards required for certification set out in the North Carolina Plan of Legal Specialization (Section .1700 of this subchapter) and in the rules, regulations and standards adopted by the board from time to time. Such standards shall not unlawfully discriminate against any lawyer properly qualified for certification as a specialist, but shall provide a reasonable basis for a determination that an applicant possesses special competence in a particular field of law, as demonstrated by the following means:
 - (a) Substantial Involvement - Substantial involvement in the area of specialty during the five-year period immediately preceding application to the certifying agency. Substantial involvement is generally measured by the amount of time spent practicing in the area of specialty. In no event may the time spent in practicing the specialty be less than 25 percent of the total practice of a lawyer engaged in a normal full-time practice;
 - (b) Peer Review - Peer recommendations from attorneys or judges who are familiar with the competence of the applicant in the area of specialty, none of whom are related to, engaged in legal practice with, or involved in continuing commercial relationships with the lawyer;
 - (c) Written Examination - Objective evaluation of the applicant's knowledge of the substantive and procedural law in the area of specialty as determined by written examination;
 - (d) Continuing Legal Education - At least 36 hours of approved continuing legal education credit in the area of specialty during the three years immediately preceding application to the certifying organization.
- (5) Applications and Procedures - Application forms used by the certifying organization must be submitted to the board for review to determine that the requirements specified above are being met by applicants. Additionally, the certifying organization must submit a description of the process it uses to review applications.
- (6) Requirements for Recertification - The standards used by a certifying organization must provide for certification for a limited period of time, which shall not exceed five years, after which time persons who have been certified must apply for recertification. Requirements for recertification must include continued substantial involvement in the area of specialty, continuing legal education, and appropriate peer review.
- (7) Revocation of Certification - The standards used by a certifying organization shall include a procedure for revocation of certification. A certification shall be revoked upon a finding that the certificate holder has been disbarred or suspended from the practice of law. The standards shall require a certificate holder to report his or her disbarment or suspension from the practice of law to the certifying organization.
- (8) Waiver - The standards used by a certifying organization may provide for waiver of the peer review and written examination requirements set forth in Rules .2004(4)(b) and (c) above for an applicant who was responsible for formulating and grading the organization's initial written examination in his or her area of specialty.

27 NCAC 01D .2005 APPLICATION PROCEDURE

(a) The organization may file an application seeking approval of the organization by the board. Applications shall be on forms available from and approved by the board. The application fee shall be one thousand dollars (\$1,000.00).

(b) The organization which has been approved shall provide its standards, definitions and/or certifying procedures to the board in January of each year and must pay an annual administrative fee of one hundred dollars (\$100.00) to maintain its approved status.

(c) When the board determines that an approved certifying organization has ceased to exist, has ceased to operate its certification program in the manner described in its application, or has failed to comply with the requirements of Rule .2005(b) above, its approved status shall be revoked. After such a revocation, no North Carolina lawyer may publicize a certification from the organization in question.
